# What?

[www.oncohulp.be](http://www.oncohulp.be)

A **website** that provides a structured overview of **psychologists and sexologists**, working in **hospitals** and/or **private practices with proven experience** in counseling and therapy after a **cancer** diagnosis.

## Inclusion criteria

- At **least 3 years of clinical experience** in psychosocial oncology
- And/or have attended **advanced training** in psychosocial oncology and/or psychotherapy
- And/or **work** in a **hospital departement of oncology**

**Cédric Hèle instituut** vzw  
Vlaams Instituut voor Psychosociale Oncologie

structurele  
partner van

Kom op  
tegen Kanker

# Aim

Increase **visibility** of expertise in psychosocial oncology to:

- ensure that people with cancer and their relatives receive the **appropriate help more quickly**
- make **referral** easier for medical doctors, nurses and paramedics

## Work in progress

- Including **psychologists and sexologists** into the database was the **first step** in uniting psychosocial oncology care professionals
- In the near future the database will be extended with **psychotherapists, physiotherapists** and **dieticians** with expertise in oncology
